### **Don't forget to fill out a health card!**

Students are required to update, complete and return health cards yearly. Parent signature is required on all health cards. Cards may be picked up at registration.

### **Update your immunizations!**

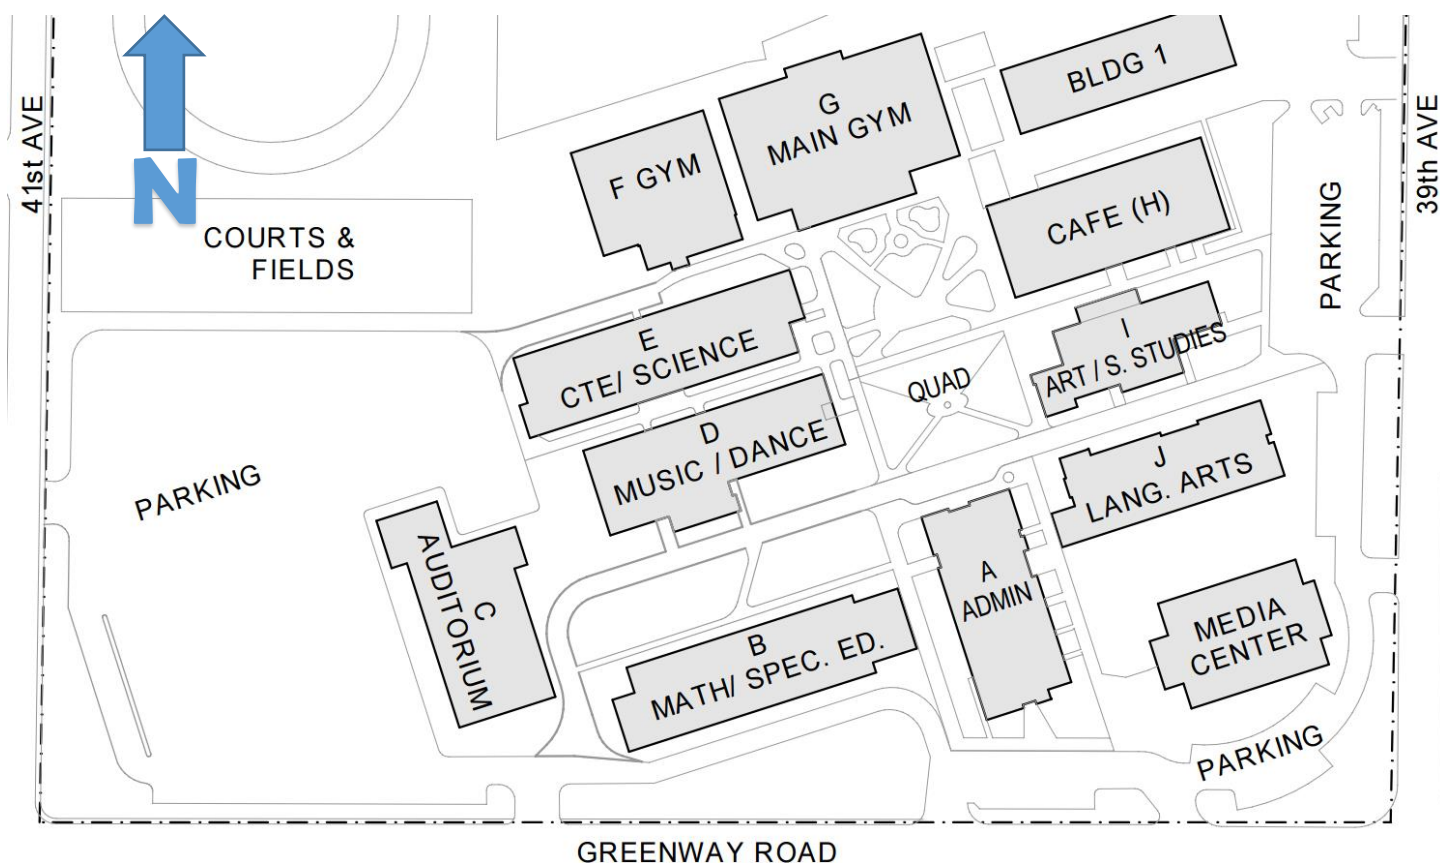

Remember that state law requires students to have up-to-date immunizations in order to attend school. The nurse will be available at registration to answer your health and immunization-related questions.

# REGISTRATION PARKING & LOCATION

The location for Greenway's registration has CHANGED after many years. Walk-through registration will take place in the PRACTICE GYM (F GYM) on the map below.

Registration parking is located in the lot off 41<sup>st</sup> Avenue. The 41<sup>st</sup> Avenue parking lot was also under construction this summer and parents should be aware that traffic flow and parking have changed.

We look forward to welcoming all our returning students to their newly re-painted and fully constructed campus!
