

PARENTS AND COMMUNITY MEMBERS

Get involved in your child's school!!

One of the many ways you can become active is to become a member of the Greenway Site Council.

The purpose of Site council is to work collaboratively with the school principal, local community members and department chairpersons to:

- 1. Examine school and student performance data**
- 2. Develop strategies and programs at the building level that will assure student performance**
- 3. Communicate school and student performance information to the school's stakeholders**
- 4. Approve the appropriate expenditure of non-designated tax credit donations**
- 5. Monitor locally selected school improvement goals.**

For more information about getting involved, please call April Johnson at 623-915-8506
