Our NJROTC cadets competed against 18 California NJROTC schools this past Saturday and our cadets won a 2nd place trophy in the 16 X 100 relay event. We also had cadets Phoebe Gondales, and Ashley Hollowinski each win an individual medal in the pushup event for placing in the "TOP" 10 out of 152 female cadets. We fell a little short in the Drill events, but all of our cadets did a "GREAT" job. They have a "HUNGER" to go back to compete again, and to win more trophies. This was a "FIRST" time for our cadets to go to the Area 11 Super Bowl, so congratulations to all of the cadets that competed, and we will "MISS" our seniors that will be graduating.

Mar. 9 - 13

Seniors, stop procrastinating and take the first step in becoming a Glendale Community College Gaucho! GCC will be on campus to administer the required college placement test called the ACCUPLACER. The placement testing will be held on Wednesday April 1st, 2009 at 11:45am in the Media Center Computer Lab. Seniors must sign-up in their English class or stop by the counseling department to reserve their spot.
